

## St John the Evangelist Church School

### SCHOOL RESULTS 2018

The information below compares the attainment of our pupils with BWMAT (Bath and Wells Multi Academy Trust) and national averages. We are delighted with the excellent results across the school. They are a tribute to the children and the staff.

#### **Early Years Foundation Stage**

**79.1%** of pupils in Reception attained a Good Level of Development against the Early Years Framework. This is slightly below the BWMAT average of **74.1%** but well above the national average of **71%**.

*A Good Level of Development is defined as children working at the expected standard or exceeding the expected standard in the key areas of literacy, maths, physical development, communication and language and personal, social and emotional development.*

#### **Year One Phonic Screening**

**81%** of pupils in Year One attained the expected standard in the Phonic Screening test. This is slightly below the national average (**83%**) and the BWMAT average (**83%**).

#### **Key Stage One**

This is the third year of the revised testing and assessment arrangements for Year 2. These arrangements reflect the more challenging national curriculum which was introduced in 2014. For more information please see the leaflet [Information for parents KS1](#) from the Standards and Testing Agency.

At the end of KS1 (Year 2), teachers are required to assess each child in the areas of reading, writing and maths. National Curriculum assessment tests are used to support teachers' judgements.

The system of national curriculum levels has been removed and the current measures are as follows:

**Expected Standard** – Working at the expected standard for a child at the end of Year 2

**Greater Depth** – Working at greater depth within the expected standard, with a strong understanding of the curriculum.

St John's Year 2 attainment (expected standard) for 2018 was above the national average in every subject area.

END OF KS1 SATs RESULTS	St John's Performance 2018	BWMAT Average - 2018	National Average 2018
Reading – Expected Standard	80%	80%	76%
Reading – Greater Depth	22%	30%	26%
Writing – Expected Standard	71%	73%	70%
Writing – Greater Depth	13%	18%	16%
Maths – Expected Standard	84%	80%	76%
Maths – Greater Depth	22%	24%	22%

## Key Stage 2

Children in Year 6 are also assessed on their knowledge and understanding of the curriculum. The curriculum introduced in 2014 provides greater challenge with higher expectations set for the end of KS2.

The results of the SATs (tests) are reported using a scaled score, where a score of 100 represents the expected standard. The highest possible score is 120 and the lowest is 80.

Children are awarded one of the following Teacher Assessment judgements in writing:

**Expected Standard** - Working at the expected standard for their age

**Greater Depth** - Working at greater depth within the expected standard and has a strong understanding of the curriculum.

In addition to these measures and in line with requirements, we have reported the percentage of children achieving a High Standard. Children with a scaled score of 110 and above are included in this group.

Year 6 pupils were assessed in reading, writing, grammar, punctuation and spelling and maths. For further information, please see the leaflet [Information for parents KS2](#) from the Standards and Testing Agency.

Our results are, once again, extremely pleasing. St John's pupils performed well above the national average in all subject areas.

<b>END OF KS2 SATs RESULTS</b>	<b>St John's Performance 2018</b>	<b>BWMAT Average 2018</b>	<b>National Average 2018</b>
