

Creative Development

Art and Design:

The children will use their study of 'Varmints' to explore various landscapes and landscape art. They will look at the work of David Hockney and produce their own landscapes in a similar style.

Design and Technology:

Music:

This term the children will be listening to, appraising and learning a range of space themed songs in preparation for the MAWS performance. They will also work together on space compositions using Garage Band.

English

Oracy:

The children will participate in discussions around the class text and their learning about civilisations.

Class Texts:

The Last Wild
Varmints

Reading

Guided reading of The Last Wild

Writing

There will be a variety of writing opportunities linked to 'Varmints' and our work on civilisations and the environment including poetry, story, reports, descriptive writing, discussions and persuasive writing.

SPaG

Cohesion within paragraphs, text cohesion, development of vocabulary, passive voice, relative pronouns, synonyms and antonyms, parenthesis, colons and semi-colons

Physical Health & Well Being

PE:

Sports leaders

Y5 Dance

Y6

Competitive games

Attacking and defending

Evaluate performance

Eagles Base Spring Period 2019 Civilisations

Entry Point:

New Year's Resolutions – Making a Difference

Y5s Dance Festival or MAWs

Y5s Visit to Houses of Parliament

Y6 Visit to a care home

Exit Point: Make a difference to our school and town

Religious Education

What is it like to be a Muslim? from AMV
Salvation unit (in the run up to Easter) from Understanding Christianity

Spirituality:

The children will have many opportunities to explore their own spirituality, through an understanding of our complex world and man's responsibility to look after it.

We will be thinking about how the smallest things we do can have a big impact on others and on the world around us – either for good or for bad

Maths

We will continue to follow the White Rose overview within a Mastery approach to further develop our fluency, problem solving and reasoning.

This term we will focus on:

Year 5

Multiplication and division

Fractions, decimals and percentages

Year 6

Fractions, decimals and percentages

Measures

Algebra

Ratio

Geometry and statistics

Knowledge and Understanding of the World

History:

Ancient Greek civilisation, with an emphasis on the beginnings of democracy
Early Islamic civilisation with links to our RE

Geography:

Our project has a geography focus, looking at how a civilisations live in harmony with the environment, and our impact on the environment, both historically and today. We will also be looking at our world as a biosphere, including covering Latitude and Longitude, day and night, Seasons, Tropics and Biomes. We will also be looking at settlements and land use, economic activity and trade and our exploitation of natural resources.

PSHE and British Values:

Democracy

Our place in the world

Responsibility

Making a difference.

Languages:

French

Outdoor Education:

Making a difference to our environment

Science & Technological Understanding

Science:

Our science focus is also linked to our world, looking at the Earth in space and light.

ICT:

Coding

Safer Internet Day

Curriculum Levels and Skills

Precise referencing to the Key Stage Two Curriculum, showing which areas are being covered each term, can be found on our long term objective coverage plans.
