

# St John the Evangelist Church School PE and Sports Premium Planned Expenditure 2018 - 2019

## PE Vision

Our school vision is to develop active and positive attitudes to exercise and sport which will be sustained throughout students' lives. We aim to achieve this by delivering high quality PE lessons and providing a wide range and quantity of positive and active experiences. We aim to provide children with increased daily physical exercise to help them lead a healthy life.

## PE Funding for 2018-19

The government's Sport Premium Funding will be continuing this academic year. The funding has once again been ring fenced for physical education in order to create a sporting legacy within the school - so that when the funding ceases, the school is left with a lasting impact. This year the funding has increased so we can develop our PE activities even further. The amount for 2018 -19 is £18,643.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	88%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	88%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	88%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2017/18	Total fund allocated: £	Date Updated:		
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Increase exercise/sport/PE levels for all children	1. Temporary 'Daily Mile' course set up with a view to making a permanent one  2. Daily exercise ideas given to staff (supermovers, shake and wake, skipping, fun games)  3. Use of anomaly for daily exercise  4. **PE SCHEME OF WORK**

A new P.E. Scheme of work has been purchased and is being rolled out to staff via in house training (December 2018). The school is beginning to use the “Champions” scheme, created by Rising Stars.

Champions is a whole-school sport, health and fitness programme that aims to transform PE teaching throughout the school and looks to:

- Upskill non-specialist teachers to run outstanding PE lessons.
- Gain all the resources needed to approach sport, health and fitness in an integrated way.
- Use engaging video content to develop children's fundamental movement skills.
- Easily assess the development of skills and track fitness.

The new scheme, costing £600, has been bought using funds from the 2018/2019 Sugar Tax grant.
