Our Learning Behaviours

BRAVERY | CONFIDENCE | CREATIVITY | ENERGY | INDIVIDUALITY | PERSEVERANCE

Quality First Teaching

All teachers will be further developed through a robust programme of CPD and incremental coaching, to ensure the quality of teaching in all classes is at least consistently good on our journey to excellence. The quality of provision for all children will be of a consistently high standard, through precise inclusion practice and robust challenge opportunities.

Curriculum Development

Curriculum Subject Leaders will be further developed to take greater accountability for the design and implementation of the curriculum to ensure there is breadth and creativity, along with children having ownership of what they learn. Core subjects curricular, with renewed focus on Science, IT and RE, will be fully developed and embedded in all year groups.

Well School

The already strong wellbeing culture that exists in the school will be further developed in order to recognize the evolving needs of our community, post pandemic, which will ensure that we have created a culture that allows everyone to reach their full potential and to feel safe, happy and be the best version of themselves.

Pupil Voice

Pupil confidence will be further developed to enable all children to own their learning and be able to share their understanding to the highest standard. Development of Oracy 21 practice and the use of pupil voice in whole school monitoring will ensure pupils' experience and opinions are at the heart of all learning, and school improvement.

OUR VISION

We strive to ensure that every member of our school community is able to demonstrate **Love** for one another; that we are all able to **Learn** to the best of our ability: and that by working **Together, We Soar** to reach our greatest potential, both in our learning and in our capacity to be the best version of ourselves.

We embrace each child's individual talents and passions while equipping and preparing them for the world that they will go on to shape. We strive to ignite opportunities for everyone to achieve more than they thought possible and ensure every member of our community is cherished, valued and nurtured in all aspects of their life. We place the wellbeing of everyone in our school family at the heart of all that we offer.
